

Texas State Organization

The Delta Kappa Gamma Society International

Date March 29, 2024

Name Genia Klein

Office Area 7 Coordinator

Contact Information geniakleinxi@gmail.com

Chapter & Area Xi Chapter, Area 7

Goals

- 1 To plan and help implement the Regional Area Workshop
- 2 To assist and support chapters to meet their goals
- 3 To prioritize membership
- 4 To visit each chapter twice in the biennium
- 5 To inform members of opportunities, conferences and scholarships offered by DKG

Accomplishments and Activities Related to Goals

- 1 I have attended and participated all but one planning meeting and provided flyers and Save The Date reminders for regional use.
- 2 I have met with several chapters needing assistance in bringing a new president up to speed, helped three chapters find officers, and helped many chapters to fill out forms or paperwork due.
- 3 I always talk about membership to members and presidents in my newsletters and in person.
- 4 I have (or will have by May 15th) visited all chapters once and have several on the calendar for next year.
- 5 My newsletters and conversations promote and inform about opportunities. I have identified numerous members who would be able to take on further leadership opportunities.

Suggestions to Area 7 (corresponding office at chapter level – AC=suggestions for that Area)

- 1 Make invitations to membership a regular and fun part of DKG
- 2 Promote membership more actively through your projects
- 3 Make leadership a priority. Everyone should realize they will be tapped to lead the chapter in some manner.

Annual Report Year 1, March 2024
