Accomplishments and Activities Related to Goals

1. Each region has proposed programs for their Regional Area Workshops that will cover WIA information and program ideas for their chapters.
2. Several regions are having virtual art shows at their Regional Area Workshops
3. Make and take workshops will be done at most RAWs to promote STAR and Area STAR events as well as the creation of STAR area events.
4. We have had two Zoom meetings and will meet again in April/May to hit high points of all RAW involvement.

Suggestions to Chapter Presidents, Executive Board, and Members

1. Determine if your chapter has a Women in the Arts committee. Change chapter rules and by-laws to include WIA if not.
