Goals

1. Support educational advancement in Latin American countries within the Southwest Region of Delta Kappa Gamma.
2. Utilize the funds to provide financial assistance to Delta Kappa Gamma members in Latin American countries within the Southwest Region, enabling them to improve their educational advancement through scholarships, training programs, or other educational opportunities.
3. Ensure that the interest income generated by the Eula Lee Carter Memorial Fund is solely used for the purpose of supporting educational advancement, while maintaining the principal amount intact to sustain the long-term impact of the fund.
4. Conduct comprehensive evaluations of applicants and thorough reviews of their educational needs, ensure that grants from the Eula Lee Carter Memorial Fund are allocated strategically to address the specific requirements of each recipient, thereby optimizing the impact of the fund on their educational journey.

Accomplishments and Activities Related to Goals

1. We have successfully granted a scholarship to Nelly Estrada Munguía from Tijuana, B.C., Mexico. This scholarship serves to support Nelly in her pursuit of a master's degree by covering her tuition expenses.
2. Updates have been made to the information regarding the Eula Lee Carter application forms on the TSO website. Specifically, the details now accurately reflect the current committee members involved in the administration of the fund.
3. The Spanish text in the application form has been refined to ensure clarity and coherence for Spanish-speaking applicants. These revisions aim to enhance the accessibility and accuracy of the application process, thereby facilitating smoother interactions for potential recipients.
