Theta Mu Area 14

Goals:

1. To have the largest choir in TSO history to sing at Denton 2025
2. To have music at every Regional Area Workshop 2024 via the Music Committee
3. To present inspiring, uplifting and fun music for our members and conventions
4. To encourage women to be in the choir even if they think they can't sing

Accomplishments and Activities Related to Goals:

1. For all chapters to have musical experiences at all meetings, workshops and conventions
2. To use games and puzzles to teach the Delta Kappa Gamma songs to all
3. To inspire others who come after me to embrace music at all levels
4. To make music matter to each member

Suggestions to Chapter Music Chair and AC for Area 14:

1. Make sure a musical experience is on every chapter meeting agenda
2. Provide word sheets/handouts for songs so that members can read the words for each song for better /easier participation
3. Never, never omit 'the song' and always sing both verses
4. Have a group discussion at least once a year to review the meaning of our society anthem at its MARCH tempo of 'women teachers to the calling'
