Lambda Sigma Chapter, Area 4

Goals

- 1: WE will bring Archival work the committee is behind on up to date
- 2: We will update website information for a more user friendly experience
- 3: We will market the Archives committee by becoming more visible in the TSO Community
- 4: We will Increase contact with chapter Archives Chairs

Accomplishments and Activities Related to Goals

1. The Archives Committee Liaison arranged accessibility for our committee to work at the Blagg-Huey Library on the TWU campus in Denton on Tuesdays and Thursdays throughout the Fall and Spring Campus Sessions. We met in October & March as a full team and several other times by coordinating with our committee liaison to bring our work up to date. Photo documentation of continued Archival work is ongoing.
2. The Committee met via Google Meet virtual platform and in Person to update and bring clarity to the documents that are displayed under our committee tab on the TSO website.
3. The Archives committee has sent out updates and photos of our activity to chapters through Area Coordinators. We have located and shared documents with the Founder Signatures and photographed other items of interest to generate more conversation about what we do. We have submitted the same information and photos to our individual chapters and will be included in our Regional Area Workshop presentations.
4. The TSO Archives Chair has spoken with several chapter presidents fielding questions or clarification. Information has been sent out to chapter archives committee chairs. Chapter Archives chairs have been invited to attend the TSO Archives Regional presentation. Communication has also been made through updated documents on the TSO website.

Suggestions to Chapter Archives Chairs

1. Please contact your area Archives TSO representative or TSO chair when you need help.
2. Present at one of your chapter meetings/programs to educate all members of what we do and who we are in archives.
